

## **ADVOCACY SERVICES – HAMPSHIRE**

Prime Care is dedicated to supporting people in as many areas and ways as possible. We believe it is important for people to have access to independent advice and support organisations. Therefore we have identified some of the advocacy services in your area, in case you want to contact them about anything. We cannot recommend any individual service. Your care support worker of local Prime Care branch could help you make contact with one of these organisations, if you would like that.
